The screenshot shows the Manta website homepage. At the top, the 'manta' logo is on the left, and navigation links for 'Products', 'News & Advice', 'Academy', and 'Find a Business' are in the center. A '+ ADD BUSINESS' button is on the right. The main content area features a large image of a woman, Joanna Godwin, smiling next to a brown horse in a field. Text overlaying the image reads: 'Small Business Success Story', 'Joanna Godwin, Owner', 'JoJoSox', and 'Read article'. Below this is a search bar with 'oranges' in the first field and 'Near Tampa, FL' in the second, followed by a 'Find' button. At the bottom, there are three icons with labels: a target icon for 'Manta Products', a magnifying glass over a list icon for 'News & Advice', and a play button icon for 'Small Business Webinars'.

# Map Customization: Map Layers

The screenshot displays a Google Maps interface with a data table overlay. The table, titled "H2A Worker Requisition Leads", contains 18 rows of data. A context menu is open over the first row, showing options for sorting and column management. The map on the right shows several red location pins placed on a map of central Florida, corresponding to the addresses in the table. The table columns are: Name, Address, City, State, Zip Code, Notes, and Agency.
